CHOKE CABLES & ACCESSORIES

KÜRYAKYN CLUTCH CABLE ADJUSTER COVER

Here is a classy replacement for the rubber bellows type cover found on late model clutch cables. Unlike previous covers of this type, this cover uses much larger, easier to handle spring clips. Installation is simplified, and the final fit is much improved. Fits all '87-present H-D® with stock cables & most steel braided cables .355" in diameter or less. Chrome
